About Pro Member,

Today, up to 45% of all Americans are considering part-jobs, for extra income to spend freely, cover their bills and pad their savings accounts.

As a referral Pro Member, we are here to support your journey. Check our "Plan Your Work, Work Your Plan" monthly income of + \$2,000 dollars.

Why now? **Florida rocked by homeowners' insurance crisis:**

Insurance companies have increased by up to 42% or double the cost that covers property and structural damage caused by windstorms.

Gus, home presentation shows homeowners how to lower both Electrical and Windstorm Liability Insurance Risk enough to offset new charges. Plus, increase family security and property value.

The SOS message to homeowners of how to lower their electrical and insurance bills. Has exited homeowners to inquire about energy savings and insurance discounts options.

PRO MEMBER REVENUE:

Your qualified lead always gets paid monthly for setting-up an advisor home confirm visit, \$25 dollars. Wait, there is more when referral signs agreement you-get additional \$75 dollars for a total \$100 dollars.

- ✓ Envision \$25 dollars in your bank and suddenly you find went up to \$100 dollars.
- ✓ Weekly \$450 & Monthly \$2000 Potential Income. (Plan Your Work, Work Your Plan)
- ✓ All Registered Leads will be verified and confirmed. * Some leads can be rejected or disqualified.
- ✓ Build customer relationships, collect contact information, and set-up In-Home Estimate.
- ✓ Requires a Smart Phone and invest less than 5 minutes talking to homeowners.
- ✓ Independent Contractor 1099 form - As a referral member you don't have to sell or close any business.

GUS job as an impact and energy savings specialist is to demo:

- How to lower homeowner's electrical bill \$\$\$ - Validate using equipment design to reflect the ultraviolet 70% reduction and potential cost savings.
- How to negotiate a better rate "discount" with your Insurance liability-Risk carrier. Our Category 5 impact glass-frame has undergone laboratory testing for extreme wind and water damage and large missile impact.

The SOS message to homeowners of how to lower their electrical and insurance bills. Has exited homeowners to an estimate.
